Help us to remember, though we are many, we are one body as we all share in You, our one God.

Amen

The Bible Course
New Edition
biblesociety.org.uk/thebiblecourse

Want to explore how you can apply the Bible to your daily life?
Join The Bible Course New Edition

Explore God's big story one step at a time with The Bible Course with materials provided by The Bible Society.

It's an eight session course that uses a visual storyline helping us understand the Bible from Genesis to Revelation. The Bible's stories, characters and themes are highlighted and explained to show how they fit together and apply to our lives.

There is an attractive course manual to go alongside the eight videos which form the centre piece of each session. Each session should last 90 minutes with plenty of time for discussion.

Please contact Richard Scott (rosandrichard@btinternet.com 07753 881517) if you are interested in joining him on this course by 1st June. He will then contact you to find mutually convenient venue, times and dates. Thank you.
